

AR
AVIO RACE

The logo features the letters 'AR' in a stylized, italicized font. The 'A' is white with a red diagonal stripe on its left side. The 'R' is white with a red diagonal stripe on its right side. Below the 'AR' is the text 'AVIO RACE' in a white, italicized, sans-serif font. The entire logo is set against a blue background with a checkered pattern in the top left corner and a speedometer in the bottom left corner.

COMPANY

PRESENTATION

AvioRace is a market leading provider of electrical and electronic solutions for customers in the Motorsport, Automotive, Aerospace and Marine Industries.

With over ten years experience , dealing with the most important connectors manufacturers, regarding specific catalog items and bespoke applications, we represent the REAL CONNECTOR SPECIALIST.

Our experience and specialization on Motorsport applications, allow us to give a specialistic support during your design and development with electronic drawings and 3D models In these years we have collaborated on many projects ranging from F1 to MotoGP , exclusive road cars, power boats, military and avionic applications..... and we cannot resist to win new challenges.
